Administrative approval is being given.

State governments account for 80% of the total amount of Amended Administrative Accreditation and Nanded account for 20%

It will be owned by the Nanded Municipality, which owns 20% of the municipal diamond.

The Municipal Corporation will be obliged to implement the resolution submitted to the Government.

3. The Commissioner, Nanded-Waghala Municipality, NANDED shall deposit his authorized share in a separate account to the extent prescribed by the Government of the funds distributed. No subsequent installment shall be exempt unless the principal share is spent on the project and the quality audit of the works under the project is carried out.

4. Approved technical outlines, budgets, maps, resolutions, etc. of the work to be undertaken at each stage of the scheme shall be submitted to the Government prior to commencement of work. Works shall be commenced after submission of the above information to the government.

5. State bodies/government authorities/Boards with expertise and work experience in the field of river conservation and sufficient technical manpower related to expenditure issues approved in accordance with Form A shall be appointed as Project Management Advisory Body by AYUTH, Nanded - Waghala Municipality, NANDED in the prescribed manner.

6. These works shall be completed within 36 months or earlier from the date of the Government Ordinance/Ordinance. The cost of completing the works after this period shall be borne by the relevant local self-government body.

5 out of 9

Governance Decree No: Ranyo 2019/PRC 61/Tan.k.3

The Commissioner is fully responsible for completing the work within the prescribed time and maintaining the quality of the work.

Nanded - Waghala Municipality, Nanded will have the funds for the work of the main project.

The expenditure should be made under the supervision of the Commissioner, Nanded - Waghala Municipality, Nanded.

In view of the proper implementation of the project, the Project Implementation Committee shall,

Nanded - Vaghala Municipality, to be established under the chairmanship of Nanded.

Responsible officials, staff, environmental experts of the Municipal Corporation, Project Management

Inclusion of delegates deemed necessary by the Municipality, including representatives of the Advisory Institution

This committee will supervise all the work under the project and will be responsible for the implementation of the project.

The Quality Control Committee shall hold a monthly Review Meeting.

If there are proposed works between the blue and red river flood lines to be carried out,

It is mandatory to obtain the prior permission of the competent authority.

Go

Even after the completion of the project, the river needs to be preserved without the help of the Project Management Consultative Institution.

The committee will hold meetings after completion of the scheme.

Review of maintenance, project revenue, measures and expenditure for project maintenance

It will continue.

11

After completion of the work, the municipality will maintain and repair the river at its own expense for at least the next 10 years.

The Municipality also reports to the Project Implementation Committee every 6 months.

It will arrange to send it to the government in months.

12. The water quality of rivers should be checked every month from this month onwards.

A panel of laboratories/institutions of experts in the field should be appointed to verify quality.

Monthly report on water quality to the Project Control Committee and Environment.

It will be submitted to the Department every three months.

13. In accordance with the above procedure, Ayukat, Nanded - Waghala Municipality, Nanded

They will submit the following reports to the Government every three months.

A. Physical progress report of approved works

B. Copies of water quality report

A. History of the meeting of the Project Control Committee.

D Certificate of utility for each quarter of expenses

14. Funding for the next phase of work will be made available without presenting a rate report.
